### MAD About Town

**Jen Retterer** will be conducting and **Kiara Reese** will be playing trumpet in the pit orchestra for Wildwood Summer Theater's production of "Merrily We Roll Along." Show dates are July 23, 24, 30, 31, August 6, 7 (7:30 PM) and August 1 (1:30 PM). All performances will be held at Bethesda–Chevy Chase High School. For more information, visit [www.wst.org](http://www.wst.org).

**Malca Giblin** has had fun choosing and styling wigs and advising on makeup and hairstyles for Rockville Musical Theatre's current production of "Evita," which runs for two more weekends at the Fitzgerald Theatre in Rockville. This Andrew Lloyd Weber show, based on the brief life and trajectory of Eva Duarte Peron, the wife of the former president of Argentina, is filled with provocative themes, as well as fabulous dancing and haunting tunes. ### MAD Update

From Kathy Fontaine: **Ellie Pedelty** (daughter of MAD members **Kathy and Mark Fontaine**, former Spring Show mushroom, and Gracie Shinn in "The Music Man") is now a Lance Corporal in the USMC, **and** a new Navy wife!! She and long-time boyfriend, Alexander Campbell (USNA Class of 2008) were married in a civil ceremony in Ft. Collins, CO on July 6. (I guess that makes him a Marine husband!) Ellie is stationed at Camp LeJeune, NC and will be leaving for a 7-month tour of duty in Afghanistan at the end of July; Xander is a helicopter pilot for the Navy, stationed at San Diego. When she is back from overseas, they will plan a larger wedding celebration for themselves, friends, and family. I (Kathy) will be sending periodic updates on Ellie's activities; those of you on Facebook can also join the open group 'I Love Ellie.' We're so happy for both of them – Xander is a wonderful guy!
